

Petition

The undersigned residents of the Hillbrook/Tall Oaks community hereby petition the Planning Staff of Fairfax County, VA, the Fairfax County Planning Commission, and Fairfax County Board of Supervisors to disapprove any applications, measures, or requests to increase the current student population and/or size of the Montessori School of Northern Virginia (MSNV) at its current location, 6820 Pacific Lane, in Annandale, VA. This commercial enterprise, operates in the Hillbrook–Tall Oaks community under a special exception and an enrollment restriction, is seeking or intends to seek approval by county entities to nearly double the enrollment of student population and increase physical size of the school.

We oppose any and all forms of expansion of the Montessori School of Northern Virginia.
